Our full Codes of Conduct are available on the CMSA website within the current [CMSA Rules and Regulations](#) and include:

- Team Official Code of Conduct
- Parent Code of Conduct
- Player Code of Conduct

**While these rules are designed to be as comprehensive as possible, unforeseen situations may arise. In such cases, the Tournament Coordinator reserves the authority to make binding decisions for all participants.**

### **Team Official Information**

All members of the team, including parents, Team Officials and players, are expected to maintain themselves in accordance with the highest standards of good conduct. Instances of unsportsmanlike conduct will be investigated and addressed without delay.

Individuals displaying unacceptable behavior will be requested to leave the facility. Facility staff can hold the Team Official responsible for the actions of their team and spectators, and they reserve the right to deny entry to any person or entire teams at their discretion.

The Tournament Coordinator reserves the right to adjust tiers and groups as needed to provide balanced pools or ensure teams are competitively balanced.

Team Officials are responsible for knowing, understanding and following all tournament rules.

No refunds will be issued after the team entry is closed.

### **General Rules**

All teams are required to fill out their team's roster online no later than the date posted. No changes to the team roster can be made once that team's first tournament game has been played. Any corrections requiring change after the roster deadline must be made at one of the tournament headquarters.

# CMSA Tournaments

## Rules & Regulations

All final decisions regarding team movement and placement for CMSA tournaments will be up to the discretion of the Tournament Coordinator.

2. **ROSTER:** All teams must produce a roster from their District organization (for CMSA teams, this is your official team roster. You can get a copy of it from Demosphere, log in like you are scoring a game, click on team roster). Photo ID is not considered proof of registration.

3. **PHOTO ID:** All teams U11+ are required to provide player Photo ID for all individuals (players and team officials) listed on their roster at time of check in at Tournament Headquarters **PRIOR** to their 1<sup>st</sup> game. Electronic player/ Team Official cards for teams outside of CMSA district will be accepted.

Players are not required to show player's cards to the referee. However, players are required to provide player card or proof of their birthdate upon request.

Team Officials must present their Soccer Association ID Card or Government issued photo ID Cards to the referees prior to each game, and upon the request of the referee be able to provide Proof of age/player cards for their players.

4. **TRAVEL PERMITS:** Teams travelling from outside of Calgary need to have a copy of their ASA Provincial Roster signed by their District organization. All out-of-province teams must also produce a travel permit from their provincial or state organization authorizing travel.

5. **GUEST PLAYERS:** Teams are allowed to pick-up a maximum of 4 (four) guest players who play in the same tier to complete their team roster for the tournament. You can have unlimited guest players from lower tiers. You may not pick-up a higher division player from a lower age group. Players must also be registered in these age groups with their home organization.

For example, if a player who could qualify for U15 but is registered to a U17 team with their home organization, they would be ineligible to play with a U15 team in our tournament but eligible to play with a U17 team.

Also, a higher tier player cannot play on a lower tier team, even if that player is moving up in age group category (for example, a U13 Tier I player cannot play on a U15 Tier II team).

You must prove they are registered for this season. Which means that for Calgary teams, you will need to obtain a copy of your guest player's team's official CMSA roster from their Team Officials (or club).

6. Maximum number of players per team is 20 and all can dress for the game.

7. Players can only play with one team during the tournament.

The injured player will be removed from the roster and is ineligible to play for the rest of the tournament. No player may be added after the completion of your 3rd game.

10. All teams are required to provide their own first aid kit along with ice packs in case of injury, some soccer centers do not have ice on hand.

**Team officials are responsible for the behavior of their players, parents, and spectators always during the tournament. Any team showing unsportsmanlike behavior will be disciplined and unruly spectators may be asked to leave the facility.**

**Any verbal abuse to referees, staff and volunteers by any team may result in immediate expulsion from the tournament.**

### Fair Play and Sportsmanship

The purpose of the tournament is to provide players with a positive and enjoyable experience. Players, Team Officials, and parents are asked to remember that the game of soccer is to make players better people as well as good soccer players. This may be done by respecting the game officials and applauding the skillful play of the players of both teams. If there is an issue with a parent or Team Official, they will be asked to leave the building immediately. Failure to do so may result in the game being abandoned and team expelled from the tournament.

### On-Field Medical Distress

- Injuries occurring that require on-field medical attention will not result in additional "makeup game time" being allocated.
- If there is a serious injury that occurs in the first half and results in a stoppage in play for more than 10 minutes the Tournament Coordinator, in consultation with the Referee in Chief, will determine how the result for that game will be determined.
- Where game time remains greater than 10 minutes game play will resume with the final score determining the outcome.
- Should the score be tied, and game play can resume with less than 10 minutes remaining on the clock team officials may elect to go to penalty shots to determine a winning team.

- If less than 5 minutes remain on the clock the Penalty Shoot-out is not an option and game play will resume until time runs out.
- Should one Team Official wish to play out the remaining time whereas the other Team Official desires a penalty shootout, a flip of the coin by team captains will resolve the issue.
- Where resolution requires a coin flip the referee will request tournament officials oversee the coin flip.

### Discipline

If not clear, the team mentioned first on the schedule is deemed the Home team.

- In the event that both teams wear like colors, the home team will be required to change jerseys or wear pinnies as determined by the referee.
- Scores and team stats will be posted on the official webpage.  
**[www.calgaryminorsoccer.com](http://www.calgaryminorsoccer.com)**
- No cards will be shown to U10 players. However, for offenses that are considered serious the referee can instruct the Team Official to temporarily remove the player from the field of play to instruct the player on game conduct. The team will not play shorthanded.

The Tournament Coordinator will rule over all discipline for the tournament. The following carries an automatic one (1) game minimum suspension:

- Automatic Red Card.
- Two (2) yellow cards in one game (Red Card).
- Three (3) yellow cards accumulated throughout the tournament.
- Additional penalties are subject to the Tournament Coordinator's ruling.

***If a player receives a second red card in the tournament, the player will not be permitted to participate in any further tournament play and may face further disciplinary action.***

- It is the Team Official's responsibility to ensure that their players serve their discipline during the tournament.
- Players who are ejected from a game for U13 and up must immediately leave the field of play and either go to their dressing room or leave the field area. They cannot remain near the field of play.
- Any Team Official who is ejected from the game (two Yellow Cards or a Red Card) must leave the playing area. An ejected Team Official could be suspended from their next game. This will be determined by the Tournament Coordinator based on the referee misconduct report. Any Team Official suspended will be advised before their next game.

- Any suspended player/ Team Official serving a next-game suspension cannot be in the dressing room or field prior to the game and cannot enter the field of play for the warm-up or for the end of game handshake.
- If the nature of the suspension warrants, the Tournament Coordinator will convene with the Referee in Chief and advise the Team Officials of its findings. The regular process of appeal remains available if needed.

### Protests

**No protests will be allowed concerning the facts of play, the final decision rests with the referee.** All referees are ASA certified or equivalent and are assigned by the tournament referee assignor. Their decisions on their interpretations of the Laws of the Game are final.

Any other type of protest must be received by the Tournament HQ at the field location within one hour of the completion of the game in concern. Protests will only be reviewed provided that they are made in writing with cash or money order (made payable to 'CMSA') in the amount of \$150.

### Awards (Medals)

- Gold & Silver medals will be awarded to the top two (2) teams in each division.
- No bronze medal games

### Inclement Weather – Outdoor tournaments

Tournament organizers will determine if the fields are unsafe to play due to inclement weather. Teams are expected to check in at the field for their regular scheduled game whatever the weather conditions may be. The decision to play the game will be decided at game time.

If a game has been played more than 50% before being called, the game shall be considered complete and the score at that time shall be the official outcome of the game.

If a game cannot continue and less than 50% of the game has been played, the game will be rescheduled based on field availability. Should no fields be available, outcomes will be decided by shoot out or coin toss.

If inclement weather cancels the tournament prior to the completion of a team's first scheduled game of the tournament, a maximum of 50% of the team's entry fee may be retained by the tournament to cover start up cost of the tournament.

**Lightning Safety and Severe Weather**

**IMPORTANT NOTE:** Match Officials have the final say over delaying or restarting a match due to severe weather.

**When to pause or delay the game?**  
As soon as you hear thunder it is required to stop play and seek shelter.  
\* As soon as you hear thunder there is the possibility of being struck by lightning.

**Where to go during a storm?**  
A safe location is considered a fully sheltered building. If no building is accessible a vehicle is a safe option. If caught outdoors, take shelter in a low lying area. Avoid trees or tall objects.

**When to restart the game?**  
It is safe to resume the game **30 minutes** after the last sound of thunder.

**WHEN THUNDER ROARS, GO INDOORS!**

Continuing matches or resuming too quickly after a storm can result in serious injury or loss of life.

### Inclement Weather – Indoor tournaments

All games will proceed unless the city/police close the roads due to winter weather.

### Tournament Refund Policy

Cancellations made **PRIOR** to the tournament registration deadline will receive 100% of the entry fees back.

Cancellations received **AFTER** the tournament registration deadline will be refunded their fees, minus a \$100 administrative fee, **IF** a team is found to replace the canceling team. Additional fines, of up to \$2500, may be applied to any team whose cancellation past the registration deadline causes a tournament grouping to be cancelled.

All decisions with regards to the administrative fees will be the responsibility of the Tournament Coordinator and notice of all administrative fees will be sent out to the Club that the team was representing.

### **Penalties (penalty shoot-out) – Outdoor and Indoor Tournaments**

#### **Procedure**

#### **Before penalties (penalty shoot-out) start**

- Unless there are other considerations (e.g. ground conditions, safety etc.), the referee tosses a coin to decide the goal at which the kicks will be taken, which may only be changed for safety reasons or if the goal or playing surface becomes unusable
- The referee tosses a coin again, and the team that wins the toss decides whether to take the first or second kick
- Except for a substitute for a goalkeeper who is unable to continue, only players who are on the field of play or are temporarily off the field of play (injury, adjusting equipment etc.) at the end of the match are eligible to take kicks
- Each team is responsible for selecting from the eligible players the order in which they will take the kicks. The referee is not informed of the order
- If at the end of the match and before or during the kicks one team has a greater number of players than its opponents, it must reduce its numbers to the same number as its opponents and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks (except as outlined below)
- A goalkeeper who is unable to continue before or during the kicks may be replaced by a player excluded to equalise the number of players or, if their team has not used its maximum permitted number of substitutes, a named substitute, but the replaced goalkeeper takes no further part and may not take a kick
- If the goalkeeper has already taken a kick, the replacement may not take a kick until the next round of kicks

#### **During penalties (penalty shoot-out)**

- Only eligible players and match officials are permitted to remain on the field of play
- All eligible players, except the player taking the kick and the two goalkeepers, must remain within the centre circle
- The goalkeeper of the kicker must remain on the field of play, outside the penalty area, on the goal line where it meets the penalty area boundary line
- An eligible player may change places with the goalkeeper
- The kick is completed when the ball stops moving, goes out of play or the referee stops play for any offence; the kicker may not play the ball a second time
- The referee keeps a record of the kicks

- If the goalkeeper commits an offence and, as a result, the kick is retaken, the goalkeeper is warned for the first offence and cautioned for any subsequent offence(s)
- If the kicker is penalised for an offence committed after the referee has signalled for the kick to be taken, that kick is recorded as missed and the kicker is cautioned
- If both the goalkeeper and the kicker commit an offence at the same time, the kick is recorded as missed and the kicker is cautioned.

**Subject to the conditions explained below, both teams take five kicks**

- The kicks are taken alternately by the teams
- Each kick is taken by a different player, and all eligible players must take a kick before any player can take a second kick
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken
- If, after both teams have taken five kicks, the scores are level, kicks continue until one team has scored a goal more than the other from the same number of kicks
- The above principle continues for any subsequent sequence of kicks, but a team may change the order of kickers
- Penalties (penalty shoot-out) must not be delayed for a player who leaves the field of play. The player's kick will be forfeited (not scored) if the player does not return in time to take a kick

**Substitutions and sending-off during penalties (penalty shoot-out)**

- A player, substitute, substituted player or team official may be cautioned or sent off
- A goalkeeper who is sent off must be replaced by an eligible player
- A player other than the goalkeeper who is unable to continue may not be replaced
- The referee must not abandon the match if a team is reduced to fewer than seven players

**Unless stated otherwise in these rules and regulations, ASA Rules of the Game and CMSA Rules of Play will apply.**
