For early weigh-in needs, there shall be two host sites, designated by the GCYL each week (one on the East side of town and one on the West side). These sites will allow players who don't want to wait until a later time to weigh in either on a game day or a Sunday match up.

Participant players are required to wear their official numbered game jersey to the weigh in. Each player should bring this form with them to the early weigh in site and have it filled out by the GCYL EC representative and hand in to the opposing coach prior to the game

Date _____ **OVER** **UNDER** **NEEDS X**

Athlete Jersey # _____
