

ACCESSING TEAM ROSTER CONTACT INFORMATION IN DEMOSPHERE

ASA Coaches can message team contacts via their desktop team account or download a team roster. After logging in to Demosphere, please click on the team you would like to access.

On the team roster view (below), you can click on the circle with the three small dots in the right-hand corner next to the orange question mark.

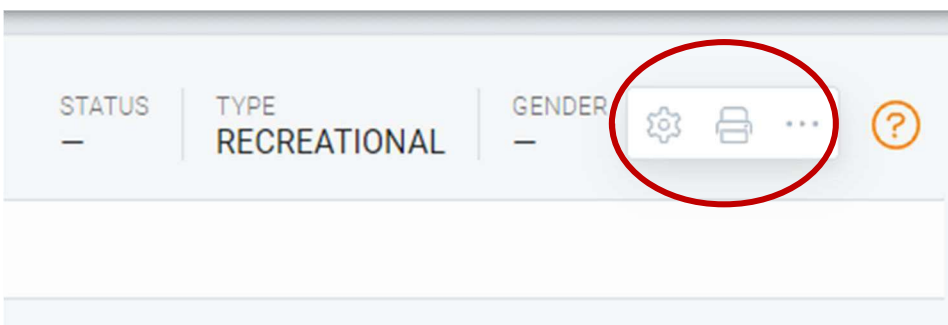

The screenshot displays the team roster for 'D1 Allen Rangers (Gallegos)'. The page includes a navigation menu with 'INFO', 'CALENDAR', 'MESSAGES', 'REPORTS', 'DOCUMENTS', and 'REGISTER'. A callout box with a red border and arrow points to a menu icon (three dots) in the top right corner of the roster table. The roster table has columns for RANK, TEAM, and several numerical columns. Below the roster table is a 'ROSTERED STAFF' section with a search bar and filters. A 'GAME SCHEDULE' section is visible on the left side of the page.
