| Coaches                                    | Volunteer team coach with technical staff oversight. Parents are encouraged to volunteer to coach their players team. Technical staff provide on field support, practice plans, and other forms of support as requested by volunteer coaches.  |   |
| Uniform                                    | Players are provided socks, shorts, and jersey during the first registration of the soccer season (September-June). If players require additional kit, items can be purchased through the club.  |   |
| Objective                                  | Players will understand to effectively take up space in relation to their teammates, opposition and the ball. Players will focus on developing their dribbling techniques, dribbling to move past opposition, and individual ball skills. Players will be able to use agility, coordination, and speed movements to their advantage. |   |
| Outcome                                    | Players will be effective in 1V1 (2020 & 2019). Players will be able to use agility, coordination, and speed movements to their advantage.   |   |
| Team Formations                            | Players are placed on balanced teams. Families should make friend requests to have players participate with their friends.   |   |
| Cancellations                              | This program is outdoors and on grass. If the grass is closed on the day of an event that event will be cancelled. Refunds will not be provided for events that are cancelled due to field closures.   |   |
